#### 47.000 Scope of subpart.

(a) This part prescribes policies and procedures for—

(1) Applying transportation and traffic management considerations in the acquisition of supplies; and

(2) Acquiring transportation or transportation-related services by contract methods other than bills of lading, transportation requests, transportation warrants, and similar transportation forms. Even though the FAR does not regulate the acquisition of transportation or transportation-related services when the bill of lading is the contract, this contract method is widely used and, therefore, relevant guidance on the use of the bill of lading, particularly the Government bill of lading (GBL), is provided in this part.

(b) The definitions in this part have been condensed from statutory definitions. In case of inconsistency between the language of this part and the statutory requirements, the statute shall prevail.

#### 47.001 Definitions.

As used in this part—

*Carrier* or *commercial carrier* means a common carrier or a contract carrier.

*Common carrier* means a person holding itself out to the general public to provide transportation for compensation.

*Contract carrier* means a person providing transportation for compensation under continuing agreements with one person or a limited number of persons.

[48 FR 42424, Sept. 19, 1983, as amended at 66 FR 2133, Jan. 10, 2001; 68 FR 28084, May 22, 2003]

#### 47.002 Applicability.

(a) All Government personnel concerned with the activities listed in subparagraphs (1) through (4) below shall follow the regulations in part 47 as applicable:

(1) Acquisition of supplies.

(2) Acquisition of transportation and transportation-related services.

(3) Transportation assistance and traffic management.

(4) The making and administration of contracts under which payments are made from Government funds for (i) the transportation of supplies, (ii) transportation-related services, or (iii) transportation of contractor personnel and their personal belongings.

(b) Subpart 42.14, Traffic and Transportation Management, shall be used for administering transportation contracts, transportation-related contracts, and those portions of supply and other contracts that involve transportation.

### Subpart 47.1—General

#### 47.101 Policies.

(a) The contracting officer shall obtain traffic management advice and assistance (see 47.105) in the consideration of transportation factors required for—

(1) Solicitations and awards;
